Who We Are:

SKAL International is an organization of world tourism leaders whose mission is promoting global tourism and friendship. SKAL is the only international group uniting all branches of the travel and tourism industry. Its members, our industry's managers and executives, meet at local, national, regional and international levels, to discuss and pursue topics of common interest. SKAL International has approximately 22,000 members in 500 Clubs throughout 90 nations. The Atlanta SKAL Chapter, established in 1955, currently has 75 local members.

SKAL Scholarship Awards Offered
